19.

(PROPOSED OIL AND GAS LEASE, TIDE AND SUBMERGED LANDS, SANTA BARBARA COUNTY - W. O. 2718(B).)

On July 25, 1958 (Minute Item 5, page 4138) the Commission postponed consideration on Parcel "B" of a series of proposed oil and gas leases in Santa Barbara County, and directed the staff to arrange for a review of the bid evaluation with the bidders and the consultants and to report on this review at the next meeting of the Commission.

A meeting for a review at a time when both State consultants and the bidders could be present has been scheduled tentatively for early September. Therefore it is requested that the Commission again postpone consideration on Parcel "B" of the proposed oil and gas leases in Santa Barbara County until the next meeting of the Commission.
